

FARMERS | Mobile Banking

Open the app and enter your "Online Banking ID" and "PIN"

Read and select "I Agree" to the Online Banking Agreement

Getting Started

Using your Android or Apple device, visit "gofarmersbank.com" in your web browser. On the mobile website, click on the tab that says "Mobile Apps". On the "Mobile Apps" page you will see the direct download links for "Mobile Banking" and "Seed by Farmers Bank". Depending on your device, select either Android or iPhone version for each app, and it will redirect you to the download page.

Enter your current "PIN" and then add your new PIN (or Password)

Select and answer your Multifactor Security questions

Enter your email, then create your login recovery question and answer
